

03.04.2020

Dear Children/Parents/Guardians,

Well, what can we say, what a strange term this has been. First of all, please let all of us here at Raynham thank each and everyone one of you for your persistence, understanding and good will. Like every school up and down the country, this is a first for us and we are in territory that many of us have never been in before and hopefully will never be in again.

We at Raynham would like to extend our gratitude and thank all of our parents/guardians that are key workers. You are all doing amazing jobs and we know how difficult these times are, we are doing everything at school that we can to support you all and ensure your safety. We will keep all parents updated with any news or information that we receive as soon as we can moving forward.

The school will be closed for the Easter Holidays as usual and we will be closed until further notice.

From Monday 20 April We will continue to provide care for our vulnerable children and children of key workers here at Raynham. Teachers will also set online learning assignments for all the children learning from home.

We have also said goodbye to three of our members of staff this week who are leaving us;

Mrs Fellows (4 Czech Republic) is moving on to pastures new and we wish her every success for the future. Mrs Fellows joined the Raynham Family in 2004 and we would all like to thank her for her hard work and contributions that she made to the school during her time here.

We are also saying goodbye to Miss Brown (2 Botswana) who joined the Raynham Family in 2013. We would like to extend our appreciation to Miss Brown for her hard work and wish her all the best for her future endeavours.

Ms George (Year 4) will also be moving on. Ms George joined the Raynham Family in 2013 and during her time here has contributed to some amazing learning. We wish her all the best on her new adventures.

We will keep you updated with how we are moving forward, so please remember to check your emails as this is the fastest and easiest way for us to contact you. Can we also remind you that we are providing online learning for all of our children. Children's log ins have been emailed to parents/guardians and you can access this through the school website under the 'children' tab. There is also a technical support option that will guide you through any questions you may have.

Lastly, a message from Mrs Trott;

It is a pleasure and a privilege to be your headteacher.

During these difficult and unsettling times, it is important that we work together as a community in order to fight this terrible virus.

RAYNHAM
PRIMARY SCHOOL

Raynham Avenue, Edmonton, N18 2JQ

Our teachers continue to work from home to provide online learning opportunities for your children. Please ensure that they take full advantage of this.

I urge you to stay at home and look after yourselves and your loved ones. Together we can beat this and hopefully it will not be long before the Raynham family is back together once more.

Stay safe!

Mrs Anna Trott
