## Autumn Term 2020

# Edmonton Green Nursery Newsletter

Dear Parents/Carers

The team would like to take this opportunity to welcome you and your children to Nursery. We are looking forward to working together in partnership to support your child's development and extend their learning.

### **The Curriculum**

This term will mainly be focused on helping the children to settle in their new environment. The children will be spending their time getting to know the staff and each other. They will also be learning the rules and routines of the school and classroom. Our Topic for Autumn 1 is **I am Special!** where we will be looking at ourselves, our likes and dislikes and our favourite things. In Autumn 2, we will be looking at the topic of **My Fantastic Family and Friends**, especially focusing on family, traditions and culture. We will be using all areas of the curriculum to cover the topics and the children will also learn new songs, poems, rhymes and stories.

### **Important Information**

#### **Clothing**

One way we can help your child to feel secure is to change them into their own clothes when they get wet, so can you please ensure that your child has a spare set of clothes in a bag in school, which has their name in. The weather is always changing and children will need sensible shoes and a warm coat for the outdoor area.

#### **Physical Education**

Children enjoy being active and like taking part in group activities. We look forward to teaching your child a range of physical skills on **Fridays**. To help your child take part, please could they wear socks and velcro shoes on these days. It will help your child if they do not wear tights when they have PE.

#### **Sharing activities and achievements**

We would really like to see what the children do at home with you and activities they enjoy. You will be sent information about using an app on your phone or tablet which will allow you to share pictures and videos of your child with us and add to their learning journey. We will also be able to share activities in school that they do through this.

#### **Autumn Half Term**

We finish for the half term holiday on Friday 23 October 2020. Half term is Monday 25 October - Friday 30 October. We look forward to seeing you on Monday 2nd November

Thank you for your continued support  
Edmonton Green Nursery Team
