- Check out school websites for up to date information about opportunities to visit – open evenings are planned but schools may have to make changes at short notice.
- Look at the pattern of admissions in previous years and criteria.
- Distance counts for many schools and will often be a deciding factor if there are more applications than places available.

Things to remember

- If you are considering schools outside Enfield, look at other authority websites for details
- Check if you need to complete a supplementary information form
- Complete all applications in full
- Nominating only one school will not improve your chance of getting a place.

Things to remember

- Make an informed decision. Consider first hand, accurate and up to date information
- Speak to your child's primary school
- Be realistic.
