- Check school and local authority websites in case there are any changes to the information in LA booklets

# Community School Admission Criteria (summary - see booklet for full details)

- children in public care or previously adopted
- children for whom a particular school is appropriate on exceptional medical grounds
- children with a brother or sister attending the school at the time of admission (living at the same address)
- children of members of staff
- children living nearest to the school measured as the “crow flies”

# Exceptions

- Chace Community – priority zone for nominated roads
- Enfield County School for Girls has a quota system of allocation

Full details are given in the *“Your Guide to Secondary Schools in Enfield 2020”* brochure available online from September 2019.

# Partially or Fully Selective Schools

- Selective schools test children before the closing date for applications.
- Children must be registered directly with the schools to be entered for the relevant selective tests/trials/auditions
- Schools will let parents have the results of the tests/trial/audition before the closing date for the Borough application.

# What can Enfield parents expect?

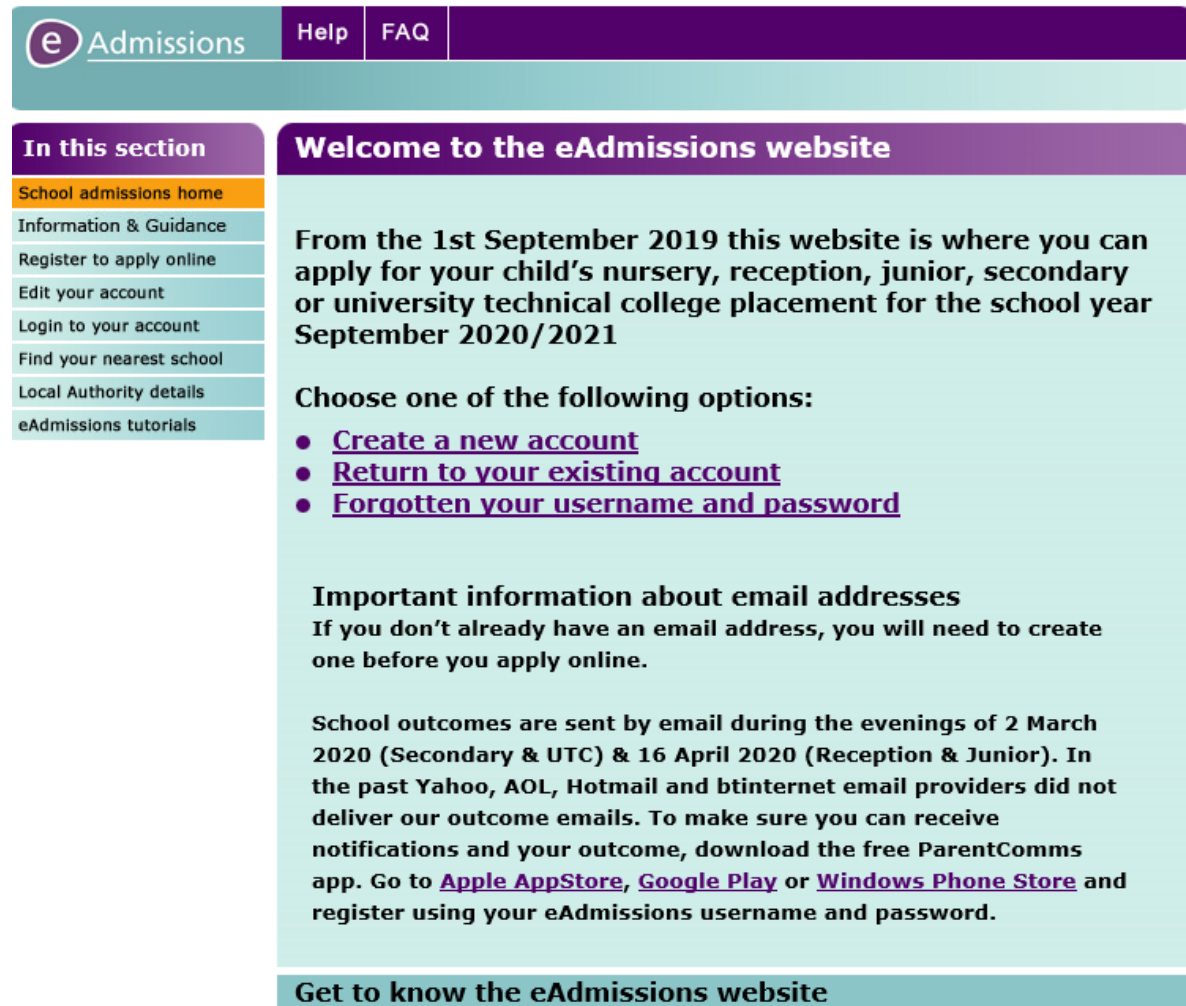

- one local authority application for all maintained schools (community, foundation, voluntary aided, free school and academy) regardless of where the school is located
- common closing date across England for the submission of forms – 31st October 2019
- 6 preferences across London (Hertfordshire will only accept four Hertfordshire schools – don't include more)
- equal consideration given to each school asked for

# What can Enfield parents expect?

- Enfield will apply on your behalf for schools outside the Borough.
- Late applications or changes of preference after the closing date will only be accepted in exceptional circumstances
- If your child is eligible for more than one school, the preference order will be used to decide the final offer

The main content area is titled 'Welcome to the eAdmissions website' and contains the following text: 'From the 1st September 2019 this website is where you can apply for your child's nursery, reception, junior, secondary or university technical college placement for the school year September 2020/2021'. Below this is a section 'Choose one of the following options:' with three bullet points: 'Create a new account', 'Return to your existing account', and 'Forgotten your username and password'. Further down is a section 'Important information about email addresses' stating that if you don't have an email address, you need to create one before applying online. This is followed by a paragraph about school outcomes being sent by email on 2 March 2020 (Secondary & UTC) and 16 April 2020 (Reception & Junior), and a note that older email providers like Yahoo, AOL, Hotmail, and btinternet did not deliver these emails. It advises downloading the free ParentComms app from the Apple AppStore, Google Play, or Windows Phone Store, and registering with the eAdmissions username and password. At the bottom of the main content area is a link 'Get to know the eAdmissions website'.

- Complete all applications in full
- Nominating only one school will not improve your chance of getting a place.

- Be realistic.

# Secondary Transfer - before you apply

- **Any questions?**
